

# Privacy policy

ELME-PROJEKT Ltd., the operator of the [www.epcloudsoft.com](http://www.epcloudsoft.com) website hereby declares that it respects the constitutional right to the protection of personal data.

It commits to conducting its operations in compliance with the following laws, statutory decrees and recommendations with regard to the collection and processing of information from users of the website:

Act VI of 1998 on the automated processing of personal data;

Act LXIII of 1992 on the protection of personal data and the publicity of data of public interest

Act XL of 2001 on communication, Chapter VIII;

Act CVIII of 2001 on particular issues of electronic trading services and services connected to the information society;

Government Decree 253/2001 (XII.18) on the special conditions of data handling by communication service providers, the security of data in communication services, and the rules of caller ID displaying and call redirecting;

the relevant articles of Act IV of 1959 on the Civil Code.

ELME-PROJEKT Ltd. commits to handling all information collected from the visitors and registered users of its website in a fully confidential fashion, refraining from sharing the same with any third party and from making its publicly available or store without the consent of the user.

The above commitment notwithstanding, the company reserves the right to collect anonymous information automatically concerning the traffic of its websites, including the number and frequency of visits. Such information will be processed solely after pooling, and will only be used for statistical purposes.

Registration data are only required for fulfilling, confirming and tracking orders. In compliance with the relevant legal regulations, the interested parties, i.e. the registered users of ELME-PROJEKT Ltd. are entitled to request information concerning their data stored in the system and also to request that the same be deleted.

In order to prevent unauthorised access and publication as well as to ensure that the stored data are accurate and secure and to fully utilise the data, ELME-PROJEKT Ltd. uses the most suitable physical, electronic and technical equipment and methods to store and secure all information collected from the users.

Should you have any questions or complaints, please contact the web administrator of ELME-PROJEKT Ltd. at [epcloudsoft@elmeprojekt.hu](mailto:epcloudsoft@elmeprojekt.hu).
